

## CMM OUTREACH REPORT

**VENUE: ODUMAN**

**DATE: 23<sup>RD</sup> JULY 2008**

**ACTIVITY: EVANGELISM**

**TEAM: Brothers Willie, Bro. Asare and Samuel.**

On Wednesday, 23<sup>rd</sup> July, 2008, the outreach team of CMM reached out to a village called Oduman and her inhabitants. We arrived at the location at 6.00pm. We took some time to relax in keeping with the night's crusade programme at heart.

At 7.00pm we started with the video crusade. The team showed the 'Passion of Christ'. This attracted about 100 individuals to the scene. Bro. Willie ministered. After the ministrations so many people were healed of various diseases which included chronic headaches, stomachache, waist and back pains and the like.

The programme ended at 11pm due to some technical problems especially with our machine fixing.

Also the team prepared to move from house to house to evangelize to the lost and encourage believers as well. We left our residence at 10.00am. The team interacted and encouraged eight believers especially, a lady whom had halfway indulged herself in idolatry which the gods have inflicted serious headache on her but after taking her through some lessons, the Lord delivered her. We encouraged her to be serious with her faith in the Lord to prevent the evil one from getting foothold in her life again. Through this encounter with her, she helped us in keeping our machines in her house throughout the programme. The team closed at 1pm.

In the evening at 7.00pm, we started our video crusade and showed a film entitled 'Final Account'. In all about 90 people attended and 10 people received Christ as their Lord and Saviour. The programme ended at 9.36pm.

Early the next morning, the team decided to continue with our house to house visitation. In all we were able to reach out to 13 people and four of them received Christ as their Lord. The team also prayed for a believer (lady) who has been afflicted with a severe rash and blisters. We encouraged her to hold on to her faith and the Lord will heal her.

In the evening at 7pm, we started our video crusade and showed a film, entitled 'The Anti Christ'. The people came in their numbers as usual and after the programme for the night we had three new converts. The programme ended at 9.36pm.

On Saturday, which was said to be the last day, early in the morning, the team took time to pray with our host, thus a young couple believers who dearly accepted us and permitted our stay in their residence for the entire three days we spent there. We finally thanked the Lord for his compassion for us in terms of all activities which took place during this programme for a successful end. We left the place at about 9.30am.

God bless
